## *The Senior Class of 1966*

### *Class Poem*

As our final year began,  
Thoughts of joy through us ran.  
Each one soared to reach his height  
To prepare for his future and life-long flight.

The friendships formed within our flock  
Shall be treasures in our hearts forever locked.  
Our teachers have taught us and guided our ways,  
Giving us inspiration for each new day.

Within this warm and friendly grove  
Work and leisure we have interwove.  
You've led us through your portals grand,  
Preparing us for what the world will demand.

Now we our own wings must try  
Knowing there will be joy and sorrow in our sky.  
But we shall remember the course we have flown;  
Our trust in Almighty God will still be shown.

As our final year is ending,  
More dreams for the future are just beginning.  
Farewell, and thank you, dear Bunker Hill,  
For all that in us you have instilled.

Revonda Travis

MR. and MRS. JOHNSON

## *We dedicate . . .*

this, the 1966 BUNHIHI, to a person who has guided us in our endeavors, encouraged and strengthened us, and who has created an atmosphere of friendliness among the students and the faculty. His genuine interest and enthusiasm have become an inspiration to all. He has been our friend, our example, and our guide.

For his unselfish effort and devotion to his work and for all he has done for Bunker Hill and for us, we, the Senior Class of 1966, express our gratitude by dedicating this twelfth edition of the BUNHIHI to Mr. Joe T. Johnson.

The Johnson family—Jim, Freida, Tom, Phil.

Mr. Johnson relaxing at home.

# *Fly with us . . .*

as we, the Annual Staff of 1965-'66, guide you through this edition of the BUNHIHI. We have endeavored to record a true scene of life at Bunker Hill so each student may be able to recall these past occurrences.

After much hard work and planning, we have assembled a lasting memory of this school year. We hope that in the future when you leaf through this BUNHIHI you will recall the memories of years gone by.

Now fly with us on our last tour of Bunker Hill High.

## *Bunhihi Staff*

Much preparation, planning, hard work, and worry go into the assembling of a year-book. We, the co-editors, have encountered many difficulties in our course, but a strong desire to preserve the glorious memories of the school year 1965-1966 has spurred us on to completion.

We wish to take this space to express our most heartfelt thanks to everyone who has made this publication possible. Without you, our work would have been in vain. Again, we say, "thanks," and hope all of you enjoy the twelfth edition of the BUNHIHI.

*In Loving Memory*

*Pat Lowrance*

She went away in beauty's flower,  
Before her youth was spent;  
Ere life and love had lived their hour  
God called her, and she went.

Yet whisper Faith upon the wind:  
No grief to her was given.  
She left your love and went to find  
A greater one in heaven.

## **Electric Heating Means Sheer Comfort!**

Why do we call it electric comfort heating? Because each room has its own thermostat to assure just-right temperature control . . . because heat spreads evenly throughout each room, eliminating drafty corners. Electric comfort heating is trouble-free. That's a comfort too! Consult your Duke Power representative for details. He will be glad to help you, even though Duke Power neither sells nor installs flameless electric heating systems.

Hello Gary  
Clyde,  
Thank you very much  
for letting me write in your  
Bunkhi, it is a great pleasure.  
Gary we have had a good  
time in our classes this year and I  
hope we have a lot more fun together. I  
thank you a lot for letting me and Vicki have  
chewing gum off of you all year old. If it  
been for you letting us have chewing gum I don't  
think I could have made it through some of those  
boring classes. Next year we will be seniors.  
and I hope we will have a lot more fun.  
Gary I hope you meet a real nice girl real  
soon and she will like you a lot. Best  
and lots of love in the future. A good friend,  
Ornella
